

Would You Like Help with Minor Home Repairs? — for FREE!

Friendship Home Repair

We exist to show Christ's love to widows and seniors through minor home repair.

We do this by uniting volunteers from local churches to serve you.

We would be honored to meet you.

- Are you widowed (any age) or a senior 60 or older?
- Do you own your own home?
- Do you live in or around the Smyrna area?
- Do you have a demonstrated financial need?
- Please see back for details!

Give us a Call !

RESTORE LIFE®

is a non-profit 501(c)(3) organization
connected with
Crosspoint Presbyterian Church

Friendship Home Repair is a ministry of **RESTORE LIFE®** that unites volunteers to address the needs of **widows** and **senior citizens who own and live in their own homes** in or around the **Smyrna area** but need help maintaining them.

- Some projects require especially skilled people, like plumbers and electricians, and generally we will not be able to help on those, beyond referring you to a contractor with whom we have had prior experience.

In order for you to get a better understanding of **whether we might serve you**, please consider the following:

- The work must be safe for volunteers to perform.
- The homeowner must have a demonstrated financial need.
- Ultimately, projects must be accepted by the Friendship Home Repair leadership team, then a work day scheduled for a group of our volunteers.
- Friendship Home Repair cannot guarantee that a volunteer group will be available to take on your project.
- Your contact information will not be spread around any more than necessary as we are concerned for your safety.

Some **examples of repairs** we **CAN do** include:

- Door repair (won't close, difficult to lock, difficult to open, drafty)
- Minor plumbing (stopped up drains, dripping faucets, running toilets)
- Minor electrical work (broken switches, hard to reach bulbs, broken outlets)
- Wall and ceiling repair
- Interior painting
- Yard cleanup
- Appliance repair
- A/C condenser cleaning
- Weatherstripping and minor weatherization

Some **examples of work** we **CANNOT** do:

- Roofing
- Siding repair
- Exterior painting
- Major plumbing repairs
- Gutter cleaning
- Major HVAC work

Projects usually begin with a phone call or email. If a project sounds promising on the telephone, the next step is a site visit to scope out the repair.

- We determine whether repairs can be done by a volunteer team.
- Next, it goes on a list of prioritized needs.
- Once a start date is set, a Team Leader will begin assembling a volunteer team to conduct the work.

Please, remember that the volunteers **usually are not professionals**. We are handy folks who delight to serve you with as much quality and love as we can! **If you think we might be able to help you, give us a call!**
